Recycled Rimu

Made from sustainable New Zealand rimu,
this casket features rich wood tones and unique grain patterns.

Knotty Macrocarpa

Crafted from distinctive knotty macrocarpa, this casket showcases the wood's natural character with its unique knots and textured grain.

Eco-Pine with Wooden Handles

This simple and natural casket is made from untreated eco pine, highlighting the wood's clean, pale tones and organic texture. With sturdy wooden handles, it offers a timeless, eco-friendly tribute that embodies both elegance and sustainability.

Eco-Pine with Rope Handles

This simple and natural casket is made from untreated eco pine, highlighting the wood's clean, pale tones and organic texture. Featuring strong, natural rope handles, it presents a rustic, yet refined choice, embracing simplicity and environmental responsibility.

Kōtuku

Kōtuku casket offers a peaceful farewell, inspired by the gentle spirit of the heron and its connection to the natural world.

Rosewood Foil

This elegant casket features a rosewood foil overlay, replicating the deep, rich hues and graceful grain of genuine rosewood. The beautiful raised lid adds a sophisticated touch, creating a serene and dignified tribute that blends timeless beauty with modern craftsmanship.

Driftwood

This light-coloured casket is crafted to evoke the natural beauty of driftwood, with soft, weathered tones and a textured finish that mirrors the calming essence of the shore. Its rustic yet refined design offers a peaceful and organic tribute, perfect for those who appreciate the serenity of the sea.

McKenzie Flat Lid

The McKenzie casket features a light oak finish, offering a clean, understated elegance. Its smooth, flat lid and timeless design make it a serene and dignified choice, perfect for those seeking a simple yet refined tribute with a natural, warm tone.

White Raised Lid

With its pristine white finish, this casket offers a timeless and serene tribute. The clean, painted surface symbolises purity and peace, creating a graceful and dignified choice for a farewell that reflects simplicity and elegance.

Sealed MDF Casket

This casket features a clean, basic design crafted from sealed MDF. This straightforward casket is often chosen by families who wish to personalise it with heartfelt messages or drawings, creating a deeply meaningful tribute. Its simple, unadorned nature provides a perfect canvas for honouring loved ones in a unique and personal way.

Woollen

Available on Order

This eco-friendly casket is crafted from sustainable cardboard, gently wrapped in soft, natural wool. The combination of materials creates a simple yet comforting tribute, offering a light, biodegradable option that reflects a peaceful connection to nature.

Willow

Available on Order

Made from beautifully woven wicker, the Willow casket embodies natural elegance and timeless craftsmanship. Its intricate design and organic texture create a serene and earthy tribute, offering a graceful and sustainable farewell in harmony with nature.

Cremation Urns

Alternative urns are available upon request please discuss your individual needs with your Funeral Director.
