***My Journey's Just Begun***

Don't think of me as gone away  
My journey's just begun  
Life holds so many facets  
This earth is but one  
Just think of me as resting  
From the sorrows and the tears  
In a place of warmth and comfort  
Where there are no days and years  
Think of how I must be wishing  
That you could know today  
How nothing but your sadness  
Can really go away  
And think of me as living  
In the hearts of those I touched  
For nothing loved is ever lost  
And I know I was loved so much
