The Last Farewell

Dear friends I go, but do not weep
I've lived my life, so full, so deep,
Throughout my life, I gave my best,
I earned my keep, I've earned my rest
I never tried to be great or grand,
I tried to be a helping hand.
If I helped in a team,
If I helped on my own,
I was more than repaid by good friends I have known.
And if I went the extra mile
I did it with pleasure
It was all worthwhile.
If I brightened your path,
Then let it be,
A small contribution
From my loved ones and me.
But mostly I cherished the family and friends I knew,
In a bond never ending,
So precious, so true.
Now sadly I leave you
and travel alone
through the mystic veil
to the great unknown
With such beautiful memories
That forever will be,
The way that I hope
You'll remember me.
